ABOUT LUCAS

Lucas was founded in 1845 and today is the oldest continuously trading automotive brand in the world. For generations the Lucas name has been relied on all over the world, in every country, in any environment. Whatever your challenge, there's an answer in a famous Lucas green box.

Lucas products arise out of technical superiority and a spirit of innovation that has guaranteed ongoing international success with strong values, giving customers the reassurance of excellence. A reputation based on a wide product range, along with exceptional durability and resistance. Guided by the past. Leading in the present. Looking towards the future.

KEY PRODUCT FEATURES

- Modern design-Moving away from halogen era of BEACONS
- MUTLI VOLTAGE -10V-30V-110V
- More Light output-More Visibility
- No Maintenance
- Shock proof design
- Long life design
- Less radio interference.

WHY LUCAS OVER OTHER BRANDS?

- Longer life compared to halogen types
- Universal adaptation of 10V to 30V, No need to have TWO types- one for 12V and another for 24V like in halogen types.
- More Uniform light-quick response of light up
- High intensity based on No of LEDS –
• Longer life LEDS than halogen bulbs.
- High quality components and No moving items (like Belts in halogen types) hence Extended life.

LED BEACONS: PRODUCT RANGE

LUC-LED-VM-209-S-D-A

- Heavy duty Plant and Construction Beacons
- 30V-10V-ECE-R10 for EMC approval
